City of Prairie City
Workshop
April 23, 2013

A workshop was held at City Hall on April 23, 2013 at 5:30 p.m. Those in attendance were: Park Board Members: Brent Fridley, Natalie Owens, Tammy Steenhoek; CIA/RAD Representatives: Brian Townsend, Christy Lindsay; Little League Representative: Mindy Shaver; City Representatives: City Council Members: Larry Wenthe, Dan Kuecker, City Administrator Manny Toribio and City Clerk Nancy Earles.

Discussion was held on dugout covers for the Rec Complex. Funding was discussed: Park Board having approximately $4,500.00 in their trust; CIA/RAD has approximately $23,000.00; Little League has approximately $5,000.00.

Townsend explained that he felt the main goal for CIA/RAD was to finish the concession area and restrooms in the small building near the soccer fields, but felt that would not take the full amount of the funds.

Shaver advised that Little League would consider contributing in the future.

Park Board would be willing to contribute their trust funds.

Discussion was held regarding trying to find donations or matching grants for the covers.

The City will look for quotes and asked that other members of the group also look for options.

Steenhoek discussed the need for L screens for safety purposes in the batting cages. Earles advised her to get prices and staff would present to the City Council.

Meeting adjourned at 6:40 p.m.

Nancy Earles
City Clerk
