

Prairie City Park Board Commission  
Wednesday, January 21, 2015  
5:30pm  
Meeting Minutes

Meeting Called to Order at 5:34 p.m. by T.Steenhoek

Present: Park Board – Manny Toribio, Tammy Steenhoek, Natalie Owens, Danel Drake, Tami Ford & Scott Steenhoek Council Member Dan Downey

Approval of Agenda and Minutes

- Motion to approve minutes and agenda by Ford 2<sup>nd</sup> by Drake. Motion approved

#### **Old Business**

- PC Website-Tammy was able to get photos submitted by members of the community. She will work with Sue Ponder after the trivia night this Saturday.
- Dodgeball Tournament- Will happen on February 28, 2015. The forms are printed and will be sent home with PCE students this week. Some forms will be left at the middle school for the 6-8 grade division. An additional 200 forms will be printed and sent to Monroe Elementary. Drake will hang them at the post office and other areas around town. He will take several to PC Foods to make them available. It was decided that next year a box will be added to the form for volunteers. Ford will get the balls from Mrs. Wood, Hudnut will distribute forms to PCE, T. Steenhoek will post forms on Facebook, we will all round up Ref's (3-5 are needed per age bracket), Owens will get some smaller bottles of water, fruit snacks and granola bars to have available for purchase, members will need to be present that day. We will arrive at 7:30 to set up tables, tape off the floor and post brackets. S. Steenhoek will bring a Karaoke machine to help communicate. T.Steenhoek will check with Lorena on the cost for the facility. It was agreed to give Hudnut the go ahead to order the medals for \$253.90 for 100 and then will have them available next year.
- Harrison Memorial- Tabled until February meeting.
- Bid forms are posted and hopefully it will bring the bids forward so we can get those projects under way.

#### **New Business**

- We are looking into a Municipal Waste Grant for new trash cans to replace some of the basket ones. We will check with the city crew on how many we need. The deadline has not been released so we will keep checking so we do not miss the deadline.
- Hopefully we learn the results of the Prairie Meadows Grant by the middle of February. If we do not hear anything we will need to follow-up.
- We would still like to do the skating rink but due to the timing and more research being needed along with the warmer temperatures it does not seem feasible to accomplish this year. S. Steenhoek will do some additional research on costs and all the detail with Runnells so we can prepare for next year. Signs will have to be posted to skate at your own risk.

#### **Discussion Items**

- CIARAD has a meeting set up for February 4<sup>th</sup>. The meeting is to get resignations and all the officers put into place

- Drake mentioned hosting a USSSA softball or baseball event to utilize the Rec Complex after Little League is finished. We will need to do some additional research on how we would do it.

- **Adjournment**

Motion by Owens and 2nd by Ford. Adjourned at 6:30

Next Meeting:

February 18, 2015, 5:30pm at Council Chambers
