

# PCM reCycle a biCycle Program

The Prairie City and Monroe Police Departments are accepting donations for bicycles in good working condition. It is our goal to recycle used bicycles to those in need around our communities. Whether it is a child's bicycle that has been out grown or one that has not been used and you were thinking about throwing it away, we hope you consider donating to our new program. Any bicycle that is donated will be evaluated to ensure it can be safely operated and will then be made available to a person in need, free of charge.

Please fill out the below information if you are donating a bicycle, have a need for a bicycle, or both. Upon request a copy of this form can be made to serve as a donation receipt if needed (the estimated value of a donated bicycle must be completed for a receipt copy to be made). If you wish to donate anonymously please indicate below but fill out the bicycle description area.

	I am Donating a Bicycle
