

Prairie City Police Department

Memo

Item 10B

To: Mayor and Council, City Staff and Citizens
From: Chief Joe Bartello
CC: City Administrator, City Clerk
Date: June 2, 2016
Re: Annual Report

Mayor, Council, City Staff and Citizens

On behalf of the Prairie City Police Department I am pleased to provide you with the Annual Report for 2015. During the past year our Department and City has gone through a lot of changes while we still strive to move forward and maintain the highest standard of professional ethics and personal integrity as we serve the citizens of the City of Prairie City.

The motto of our Police Department is: "Excellence through Professionalism." I believe our staff strives each day to fulfill our motto and attempts to make Prairie City a better place every shift they work.

Prairie City Police Department Staff:

We currently have three full-time police officer's working for our department. We are able to supplement our full-time officer coverage by utilizing both part-time police officers and reserve police officers. As of 2015 we have three part-time police officers and one reserve police officer.

Our staff and positions as of 2015 are:

Joe Bartello	Chief of Police, EMT
Michael German	Police Officer
Amy Baldus	Police Officer (Hired 2016)
Donald Crook	Police Officer (P/T)
Jeffrey Seiler	Police Officer (P/T)
Brian Burrows	Police Officer (P/T)
Beau Murry	Reserve Police Officer

Calls for Service:

In 2015 our officers responded to 4,633 calls for service, which is an increase from 3,330 calls for service in 2014. These calls include but are not limited to: reports of criminal activity, motor vehicle crashes, assists to other agencies, medical and fire emergencies, alarm activation responses and other service-related functions.

Of the 4,633 calls for service in 2015, 682 were citizen contacts, 861 were business contacts, 1,960 were government contacts, 9 were arrest contacts (arrest assists or warrants from other agencies), 79 were investigations, 774 were traffic violations, 42 were disturbances, 157 were motorist assists, 19 were traffic accidents, 1 was a missing person, 40 were PCPD, and 9 were administrative.

Please see the following forms for a complete breakdown of our calls for service, activity by hour, and citation and charges information.

Multi-year Calls for Service Comparison:

Please see the last attachment for a comparison between the 2015 calls for service and the 2013 and 2014 calls for service.

Community Service, Training and Traffic Safety Programs:

Due to the change in staffing during December of 2015, it was not possible to obtain the records and information for the majority of the programs and training the Prairie City Police Department was involved with in 2015. Steps are already being taken to improve this area of the Annual Report for 2016.

Looking Forward:

2016 has already began to bring a lot of positive changes to the Prairie City Police Department. With new staff and a new staffing administration there are a lot of goals we hope to accomplish in 2016. When I first began my role as Police Chief I came up with a list of goals to accomplish for 2016, as you can see below we have already made good progress in achieving those goals:

Year 1 Goals

Goal	Date Completed
Hire Full-time employee	2/1/16
State UCR reporting (Available 1/20/16)	1/27/16
Budget	02/2016
Year End Report	6/2016
Hire Part-time employee positions	5/2016
School Involvement/Safety Plan	
Reserve Program Review	5/2016
Develop PCPD Strategic Plan	
Develop 5 year budget plan for high expense items	02/2016
Enroll in 1033 Program, utilize resources	1/25/16
Continue Community Development programs	05/2016
GTSB Grant Application for 2016/2017	05/2016
Officer Instructor recertification deadlines (Due 12/31/16)	Partially complete
New Officer Instructor enrolment	

Conclusion:

2015 was another year of change for our Department. Stating off at the end of the year in December as the new Chief of Police brought on a lot of new responsibilities and challenges. We have also seen a change in full-time police officers. While change is never easy I am happy to say I believe our Police Department is functioning at the same level of proficiency and professionalism as it ever has. I believe our staff fully embodies our Office motto and are dedicated to provide the best service possible.

I would like to thank the Mayor, City Council, City Staff and the citizens for Prairie City for all of the tremendous support they have given to myself and the Police Department during this transitional phase. Through your continued support I know we will continue to make Prairie City and excellent place to live and raise a family.

Respectfully Submitted,

Joe J. Bartello
Chief of Police

Prairie City Police Department

Charging Summary
