					3. Final – After work is completed but before occupancy.			
Total valuation of project: \$								
 This permit authorizes performances of the work described above, plans and specifications which are hereby made an integral part of this document. All such work shall be in accordance with applicable laws and ordinances of the City of Prairie City and the State of Iowa. NOTICE – This permit does not authorize the use of any public property, including streets, alleys, parks, bike trail system, and sidewalks, nor does it authorize the placing of any obstruction thereon. This permit will expire if work has not commenced within 180 days of issuance date, is abandoned for more than 120 days, or is not completed within one year for residential – two years for commercial – three years if valuation exceeds \$10 million. This permit does not cover work in which electrical, plumbing, heating and cooling equipment, and boilers systems are being installed, replaced, repaired. Separate permits are required to be obtained prior to this type of work being performed. 								
WARNING – No building shall be occupied until a Certificate of Occupancy has been obtained. No certification may be issued until inspection have been conducted to confirm compliance with all applicable building, fire, electrical, plumbing, mechanical, and zoning requirements. VIOLATIONS – Violations of the applicable codes under which this permit has been issued are deemed to be MUNICIPAL INFRACTIONS and								
punishable accordingly.								
I hereby acknowledge that I have read this permit application/permit and state that the above information is correct and agree to comply with all ordinances and state and federal laws regulating activities covered by this permit.
